MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors presents, Company's Management Discussion and Analysis Report.

The management of the company is presenting herein the overview, opportunities and threats, initiatives by the company and overall strategy of the company and its outlook for the future. This outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

FORWARD LOOKING STATEMENT

Statement in this report, particularly those which relate to Management Discussion and Analysis, describing the company's future plans, objectives, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results may vary materially from those either expressed or implied.

REAL ESTATE, CONSULTANCY & SERVICE SECTOR, ETC. INDUSTRY STRUCTURE & DEVELOPMENTS

The Indian real estate sector has come along way and is today one of the fastest growing markets in the world. It comprises of many sub-sectors – housing, retail, hospitality, farms, residential, and commercial. While housing contributes 5-6% of India's gross domestic product (GDP), the remaining sub-sectors are also increasing at a fast pace. The total realty market in the country is expected to touch US\$ 180 billion by 2025.

Real estate in India is being recognized as an infrastructure service that is driving the economic growth engine of the country. Growing infrastructure requirement in diverse sectors such as tourism, education, healthcare, etc., are offering several investment opportunities for both domestic as well as foreign investors. The role of the Government of India has been instrumental in the development of the sector including FDI in Real Estate. With the government trying to introduce developer and buyer friendly policies and law enforcement against delay in delivery & breach of commitments, the outlook for real estate sector does look promising.

OPPORTUNITIES

- Real estate contributes about 5% to India's GDP. The market size of this sector is expected to increase at a compound annual growth rate(CAGR) of 11.2% during FY2020-30.
- The Indian construction and real estate sector continues to be a favoured destination for global investors. Several large global investors, including a number of sovereign funds, have taken the first move by partnering with successful local investors and developers for investing in the Indian real estate market.
- Residential asset class looks to have great potential for growth with housing requirements growing across cities.
- Demand for space from sectors such as education and healthcare has opened up ample opportunities in the real estate sector. The country still needs to add 3 million hospital beds to meet the global average of 3 for every 1,000 people.
- Government of India focus on affordable homes for all by 2022, the creation of 100 Smart Cities and infrastructure development across India, the real estate industry has much to look forward.

THREATS

- Covid & other pandemics, shortage of migrant labour, capital crunch in market
- High inflation rate may increase the cost and company's profit margins may suffer.
- High interest rate may also prove to be adverse.
- Real estate industry is capital intensive sector which require high capital and in present scenario, it is challenge in front of management to arrange for the funds requirement.
- Tough competition from the other existing players in the industry also poses a threat.

OUTLOOK

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has a proper and adequate system of internal controls & audit commensurate with its size to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly. Proper controls and checks are exercised by the company by following the procedures prescribed in the various manuals. Audit Committee of the Board will review Internal Control Systems of the company on periodical basis.

SWAGTAM TRADING & SERVICES LIMITED

DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS

Your company recognizes the value of human resource, therefore, the human resource policies are being framed in such fashion that they not only aim to achieve the organizational goal but also recognize, appreciate and develop the individual interest of the employees. The Human Resource Development policies of the company are being framed so that it is in the best interest of the organization as well as employees of the company.

BULLION, COMMODITIES, BUSINESS CONSULTANCY, AGENTS, SERVICE PROVIDERS, ETC.

INDUSTRY STRUCTURE AND DEVELOPMENT

India has substantial reserves of gold, diamond and other gemstones. The gems and jeweler sector has been playing a very important role in the Indian economy and contributes about 6-7% to the country's Gross domestic product(GDP), apart from large scale employment generations and foreign exchange earnings(FEE). The government of India has declared the sector as a focus area for export promotion based on its potential for growth and value addition. Sensing its immense potential, the Government of India has declared the sector as a thrust area for export promotion.

Indian gems and jeweler sector contributed US\$ 34,746.90 million to India's FEE. The primary segments of the sector in India are gold jeweler and diamonds & gems. India is the world's largest consumer of gold, accounting for over 20% of the global gold consumption. The country is also the world's largest cutting and polishing centre for diamonds, with the cutting and polishing industry being well supported by government policies. India exports 95% of the world's diamonds, as per statistics from the Gems and Jewellery Export Promotion Council (GJEPC). The industry is projected to generate upto US\$ 35 billion of revenue from exports.

OPPORTUNITIES:

- The country is slowly starting to move towards branded jeweler and consumers are progressively accommodating modern retail formats.
- Gold jeweler exports from India increase on year to year basis.
- India has the high skilled low cost Labour.
- The Indian cut diamonds and designed jeweler which are in demand in the international market.

THREATS:

- Gold import is subject to high custom duty which fluctuates & can affect the business severely.
- Gold prices are also not stable that poses threat to the profit margin consequently.
- Tough competition from the other players may compel Company to offer competitive price and ultimately affect our profit margin.
- Money Market tightness and financial crunch.
- Alternative to Diamonds such as American Zirconia and CVD
- Consumer avoiding Gold Jewellery as an investment option.
- Consumer preference towards branded & imported Designer Jewellery & Watches.
- Working Women does not prefer wearing any type of jewellery.

OUTLOOK

Overall business situation appears to be positive. Company has to concentrate on Project Development; in order to gain some ground in mass market segment. Assuming the inflation is brought under control and input prices remain at reasonable level, the domestic market is expected to continue to deliver a modest top line growth. With the continued effort on Retail up gradation and contemporary experience, the footfall and Brand image at the Retail level would be improved.

RISK & CONCERN & BUSINESS ACTIVITIES

Aggressive competitions by new players, who wish to enter the category, pose a risk to the Company losing its market share. The Company will focus on contemporary designs, better value proposition in the product basket through continuous innovation and on cost management to mitigate the risks.

Business activities relating to real estates, commission, agents, brokers, management & business consulting, trading/ purchase & sale of jewellery & commodities & bullion, etc. are comparatively risk free, attractive, etc.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

Whistle Blower Policy is formulated to provide a vigil mechanism for Directors and Employees to raise genuine concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct or Ethics policy. It also provides for adequate safeguard against victimization of persons who use such mechanism.

SWAGTAM TRADING & SERVICES LIMITED

The Policy provides necessary safeguards for protection of Directors and Employees who avail the vigil mechanism from reprisals or victimization, for whistle blowing in good faith and to provide opportunity to Directors and Employees for direct access to the Chairman of the Audit Committee in appropriate or exceptional cases.

Whistle Blower Policy in terms of Section 177 (10) of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014 and Regulation 22 of SEBI (LODR) Regulations, 2015.

Directors and Employees of Company are eligible to make "Protected Disclosures" to the Chairman of the Audit Committee. During the year under review, no employee was denied access to the Audit Committee.

Principles

- Protected disclosures shall be acted upon in a time bound manner.
- Complete confidentiality of the Whistle Blower will be maintained.
- The Whistle Blower and / or the person(s) processing the Protected Disclosure will not be subjected to victimization.
- Evidence of the Protected Disclosure will not be concealed and appropriate action including disciplinary action will be taken in case of attempts to conceal or destroy evidence.
- 'Subject' of the Protected Disclosure i.e. Director or Employee against or in relation to whom a protected disclosure has been made, will be provided an opportunity of being heard.
- Whistle Blower should bring to attention of the Competent Authority at the earliest any improper activity or practice, although they are not required to provide proof, they must have sufficient cause for concern.
- Whistle Blower shall co-operate with investigating authorities and maintain full confidentiality.

CERTIFICATE ON COMPLIANCE WITH CORPORATE GOVERNANCE

To

The Members

Swagtam Trading and Services Limited

We have examined the compliance of conditions of Corporate Governance by Swagtam Trading and Services Limited for the year ended on 31st March, 2022, as prescribed in Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter called as "SEBI (LODR) Regulations, 2015") (erstwhile Clause 49 of the Listing Agreement).

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement.

We state that no investor grievance is pending for a period exceeding one month against the company as per the records maintained by the shareholder/Investor grievance committee.

Further, BSE Limited has imposed fine of Rs.2,51,340 (including GST) on account of non-compliance of regulation 18(1), 29(2),(3), 34 under SOP and freeze the promoters holding for debit. Company has filed suitable/proper replies and matter is under process.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITORS' REPORT

TO
THE MEMBERS OF
SWAGTAM TRADING & SERVICES LIMITED

Opinion

We have audited the accompanying Standalone Financial Statements of **SWAGTAM TRADING AND SERVICES LIMITED, [CIN:L51909DL1984PLC289131]** ("the company") which comprises the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies, Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the company as at 31.03.2022;
- b) In the case of the Statement of Profit and Loss, of the Loss of the company for the year ended on that date.
- c) In the case of the Cash Flow Statement, of the cash flows of the company for the year ended on that date.
- d) In the case of the Changes in Equity, of the equity flows of the company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

This section of our auditor's report is intended to describe the matters selected from those communicated with management that, in our professional judgment, were of most significance in our audit of the financial statements, except for the matter described in the Basis for Qualified (or Adverse) Opinion section and the material uncertainty described in the Going Concern section. We have determined that there are no such matters to report on the basis of these financial statements.

Management's responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. As part of an audit in accordance with SAs, professional judgment is exercised and professional skepticism is maintained throughout the audit. Misstatements can arise from fraud or error and are considered material if,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Department of Company Affairs, in terms of Section 143 (11) of the Companies Act, 2013, we give in the "**Annexure – "I"**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we Report that:

ANNEXURE - "II" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE IND AS FINANCIAL STATEMENTS OF SWAGTAM TRADING AND SERVICES LIMITED

(As referred in Paragraph 2(g) of Other Legal and Regulatory Matters in Independent Auditor's Report)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")*

We have audited the internal financial controls over financial reporting of **SWAGTAM TRADING AND SERVICES** ("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding their liability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

SWAGTAM TRADING & SERVICES LIMITED

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES to the Ind AS financial statements for the year ended March 31, 2022**1. COMPANY OVERVIEW**

Swagtam Trading and Services Limited (the “Company”) is a company domiciled in India, with its registered office situated at ‘33/36 Basement, (backside), West Patel Nagar, New Delhi – 110008’ was incorporated on December 30, 1984 under the provisions of the Companies Act, 2013 with main objects to invest in properties, debentures, securities and to do the business of promoters, investment consultants etc.

Its Equity Shares are listed on Bombay Stock Exchange Limited (BSE).

During the year, Company has carried out the business activities of Consultants, Service Providers, etc.

2. SIGNIFICANT ACCOUNTING POLICIES**2.1 General information and statement of compliance with Ind AS**

These standalone financial statements (‘financial statements’) of the Company have been prepared in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (‘Ind AS’) specified under Section 133 of the Companies Act, 2013 (‘the Act’) and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented. These financial statements were approved for issue by the Board of Directors on 9th May, 2022.

2.2 Basis for preparation of Financial Statements

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2.3 Use of estimates

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India and also these financial statements are in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make judgment, estimates and assumptions that affect the reported amounts of revenue, expense, assets and liabilities, and the accompanying disclosures and the disclosure relating to contingent liabilities as at the date of the financial presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected. Any revision in accounting estimates is recognized prospectively in the period of change and material revision, including its impact on financial statements, is reported in the notes to accounts in the year of incorporation of revision.

2.4 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue from services rendered is recognized based on agreements/arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably. Revenue is recognized only when evidence of an arrangement is obtained and the other criteria to support revenue recognition are met, including the price is fixed or determinable, services have been rendered and collectability of the resulting receivables is reasonably assured.

Dividend income is recognized when the right to receive payment is established.

Interest income is recognized using effective rate of interest method *except refer Note No. 21.*

2.5 Employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

2.6 Property, Plant and Equipment and Intangible Assets

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit

SWAGTAM TRADING & SERVICES LIMITED

and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

Depreciation has been provided based on estimated useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

Intangible assets purchased are measured at cost as at the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any. Intangible assets consist of rights under licensing agreement and software licences which are amortised over licence period which equates the economic useful life ranging between 2-5 years on a straight-line basis over the period of its economic useful life.

Intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs

2.7 Impairment of Assets

(i) Financial assets

The company recognizes loss allowances using Expected Credit Losses (ECL) model for the Financial Assets which are not fair valued through Profit or Loss. Loss Allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other Financial Assets, ECLs are measured at an amount equal to 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at Lifetime ECL. The amount of ECL that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment Gain or Loss in the Statement of Profit or Loss.

(ii) Non-financial assets (Tangible and intangible assets)

An asset is deemed impaired when recoverable value is less than its carrying cost and the difference between the two represents provisioning exigency. Recoverable value is the higher of the 'Value in Use' and 'fair value as reduced by cost of disposal'. Test of impairment of PPE, investment in subsidiaries / associates / joint venture and goodwill are undertaken under Cash Generating Unit (CGU) concept. For Intangible Assets and Investment Properties it is undertaken in asset specific context. Test of impairment of assets are generally undertaken based on indication of impairment, if any, from external and internal sources of information outlined in para 12 of Ind AS-36.

Non-financial assets other than goodwill suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.8 Provisions and Contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.9 Income Taxes & Deferred Taxes

Tax expense recognized in Standalone Statement of Profit and Loss comprises the sum of deferred tax and current tax.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Deferred tax is recognize on temporary differences between the carrying amount of asset and liabilities in the financial statement and the corresponding tax bases used in computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are off set, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.10 Cash and Cash Equivalents

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

2.11 Functional & Presentation Currency

These Financial Statements are presented in Indian Rupees (INR), which is also Company's Functional Currency

2.12 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares.

Basic EPS is calculated by dividing the net profit for the period attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS is calculated by dividing the net profit for the period attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.13 Operating lease

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially remain with the lesser, are recognized as operating lease. Operating lease payments are recognized on a straight line basis over the lease term in the statement of profit and loss, unless the lease agreement explicitly states that increase is on account of inflation.

2.14 Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. The net cash flow from operating activities is determined by adjusting net profit or loss for the effects of:

- (i) Changes during the year in inventories and operating receivables and payables,
- (ii) Non-cash items such as depreciation, provisions, deferred taxes, and unrealized foreign exchange gains and losses, and
- (iii) All other items for which the cash effects are on investing or financing cash flows

2.15 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a Financial Liability or equity instrument of another entity.

(i) Financial assets:

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent Measurement

For purpose of subsequent measurement financial assets are classified in two broad categories: -

- (i) Financial Assets at fair value
- (ii) Financial assets at amortized cost Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss, or recognized in other comprehensive income.

A financial asset that meets the following two conditions is measured at **amortized cost**:

Business Model Test:

The objective of the company's business model is to hold the financial asset to collect the contractual cash flows.

Cash flow characteristics test:

The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through **OCI**:-

Business Model Test:

The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

Cash flow characteristics test:

The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through **profit and loss**.

(ii) Financial Liabilities

All financial liabilities are initially recognized at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. Financial liabilities are classified as measured at amortized cost or fair value through profit and loss (FVTPL).

A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or is designated as such on initial recognition.

Financial Liabilities at FVTPL are measured at fair value and net gain or losses, including any interest expense, are recognized in statement of profit and loss.

Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit and loss. Any gain or loss on de-recognition is also recognized in statement of profit and loss.

2.16 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1** - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- **Level 2** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **Level 3** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company determines classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Note 20: Valuation of Inventory

There is no inventory held by company during the year.

Note 21: Loans

In the opinion of the Board of directors the value on realization of loans, advances and current assets in the ordinary course of business is not less than the amount at which they are stated in the Balance Sheet and provisions for all known liabilities has been made.

Company has given loan amounting to Rs.20,00,000/- to Prayag Polytech Private Limited on 21.12.2016 for a loan tenure of maximum 6 months. As per the signed agreement between company and the party, interest @15% per annum shall be charged by the company till the loan tenure. The loan was extended for twelve months via new agreement dated 07.06.2017. Further, as per the new agreement, interest @12% per annum shall be payable within 5 days from end of each quarter on pro-rata basis. If not paid within the timelines, then penalty of twice the amount of interest shall be charged and paid within 15 days from the due date. At the end of F.Y. 2018-19, interest accrued is standing at Rs.1,68,000 from Prayag Polytech Private Limited but the company has not received the same from Prayag Polytech Private Limited till date. Accordingly, company has to charge penalty of twice the amount of interest unpaid for the delayed period, which is not recognized in the books of accounts. The company has filed suit for the recovery of the above amount.

SWAGTAM TRADING & SERVICES LIMITED

Notes to Financial Statements for the financial year ended March 31, 2022

Reasons for Deviation in Ratios for more than 25% as compared to the preceding year:

Current Ratio

During the Current Year, company has extended further loans to customers. As a result, there is increase in Non Current Assets and decline in Current Assets (Cash & Cash Equivalents) which simultaneously lead to decrease in Current Ratio

Return on Equity

The ratio has improved significantly due to better performance by the company. This is on account of growth in revenue by approx 168% during the current financial year, resulting in rise of Net Profit after Tax by 53 times and therefore provides better return to Equity Shareholders.

Net Profit Ratio and Return on Capital Employed Ratio

There is rise in Total Income of the company which majorly includes increase in Revenue from Operations by 168% and Interest Income increased by around 365% which leads to rise in Net Profit of the company and hence, improves the Return on Capital Employed.
